World Endoscopy Organization

It is our great pleasure to invite you to the 24th edition of our symposium. Planning a congress during the ongoing pandemic is challenging. The extent of associated restrictions on events, travel and accommodation are unpredictable for February 2022. It is our aim to hold an on-site congress that offers opportunities for face-to-face meetings with colleagues, business partners and friends old and new. However, our symposium will also be broadcast online for those who cannot attend the event in Düsseldorf. In the case of another lockdown, the symposium will only take place in a virtual format like last time. The program will then be slightly modified and we may also broadcast from other centers.

As with our previous meetings, experts from different parts of the world will take part so that we can learn from each other at an international level. A varied program of live demonstrations from the Evangelisches Krankenhaus Düsseldorf, mini- and satellite symposia, state-of-the-art lectures and breakout sessions provide an ideal professional environment for learning and exchange of knowledge and experiences. It is designed to encourage your active participation and stimulate discussion. The high number of participants and the very positive survey results from our previous symposia prove the concept successful. The faculty, the congress organization, LUX AV and our team are pleased to welcome you! We wish you an interesting and enjoyable stay in Düsseldorf or online presence wherever you are!

Horst Neuhaus

Learning objectives

- Evaluate recent advances in endoscopy; assess their clinical utility and level of evidence
- Apply traditional and new endoscopic techniques, instruments and accessories
- Choose the optimal endoscopic approach for specific case management
- Manage failed interventions and adverse events
- Recognize the importance of an interdisciplinary approach
- Emphasize the importance of quality assurance in endoscopy

International, multimedia and interactive format

- Presentations and demonstrations by renowned experts from around the world
- 7 hours of live endoscopy cases transmitted from the Evangelisches Krankenhaus Düsseldorf and from other centers in case of lockdown conditions or travel restrictions
- Mini-symposia, state of the art lectures, satellite symposia, breakout sessions, satellite symposium for nurses
- Audience response system for interactive discussions, Q&A and debates
- Language: English, simultaneous translations in German, Russian and Chinese

Real and virtual exhibit hall

- Always open for viewing of product information, videos and other posted resources
- Live chats with international and national representatives of the biomedical industry

Intended audience

- Gastroenterologists, oncologists, internists
- Surgeons, interventional radiologists
- Nurses
- Trainees, students

Symposium location: Maritim Hotel Düsseldorf

- Situated at the Düsseldorf International Airport and easily accessible by all transportation systems
- Modern conference halls with high quality audiovisual transmission and a spacious area for exhibitions
- Pleasant atmosphere for breaks and informal interchanges
- Short distance to the city center for combining work with pleasure (e.g. cultural venues, famous shopping, variety of restaurants)
- Convenient accommodation at special rates

COCS GmbH – Congress Organization C. Schäfer

- A professional and experienced organization which has successfully managed our previous symposia as well as many other national and international congresses
- Online registration, national certification, CME accreditation
- A moderate registration fee will be charged to ensure that the scientific program can be planned and financed independently of sponsorship. This is one of the prerequisites for accreditation by the EACCME and the Ärztekammer Nordrhein.

REGISTRATION

Registration

Please register on our website www.endo-duesseldorf.com. You may register for the **on-site event (including streaming)** or just for the online live streaming. Due to a limited number of seats, a separate registration on a first-come, first-served basis is necessary for the onsite participation in the breakout sessions, the symposium for nurses and all satellite symposia. Depending on currently valid restrictions related to the pandemic, the organizer reserves the right to hold the event only online. **Registration deadline with receipt of payment for attending the on-site event is January 27th, 2022.** Thank you for your kind understanding that no registration is possible on-site.

Conference fee

The registration fee for the on-site event includes the online live streaming access and admission to all scientific presentations, coffee breaks and lunch on Friday and Saturday as well as a ticket for public transportation on February 11th and 12th, 2022. The registration fee for online participation enables you to attend the symposium virtually.

Registration

Registration fees for the on-site event (including online participation)

	by Dec 12th, 2021	from Dec 13th, 2021
Physician	EUR 160,-	EUR 190,-
Assistant Physician	EUR 120,-	EUR 140,-
Member of WEO* / DGVS* / DGE-BV* / ESGE* / bng*	EUR 120,-	EUR 140,-
Endoscopy nurse, Student*	EUR 40,-	EUR 60,-

** Please submit certification upon registration. Without certification, the regular conference fee will be charged.*

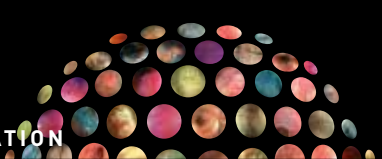

Registration fees for online participation

Physician, Assistant Physician	EUR 40,-
Member of WEO* / DGVS* / DGE-BV* / ESGE* / bng*	EUR 25,-
Endoscopy nurse, Student	EUR 20,-

Cancellation

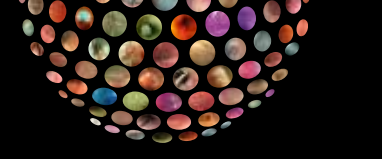

In case of cancellation until December 13th, 2021 we will reimburse your payment but a service fee of EUR 40,- will be charged. In case of cancellation after December 13th, 2021, no refund can be provided. Cancellation of registration is only possible in a written form.

If the symposium can only take place online due to pandemic related restrictions for onsite events, the differential amount to the online event will be reimbursed for registrations for the on-site event.

GENERAL INFORMATION

Change of booking	Until December 13th, 2021, you have the option to rebook from on-site attendance to online attendance or vice versa. To change your booking, please first cancel the existing booking and then register for the new one. Any overpayment will be refunded. Thank you for your understanding that any reimbursements will be made after the symposium in February 2022.
Accreditation / Credits	Accreditations by the Ärztekammer Nordrhein and EACCME® - UEMS as well as an endoscopy assistance certification have been applied for. No credits can be provided for the satellite symposia. It is possible to collect CME points as an attendee at the on-site event and as a participant in the live-stream of the online event.
Congress Languages	The congress language is English with simultaneous translation in German, Russian and Chinese during the entire meeting except the breakout sessions. The symposium for nurses will be held in German only.
Congress Program	English, German, Russian and Chinese versions of the program are available on the website: www.endo-duesseldorf.com
Liability	The congress organizer will bear no liability for loss, accident, damage or injury to persons or property irrespective of the cause. The client participates at all sessions, tours and events at his/her own risk. Sole place of jurisdiction is Munich, Germany. German law is applicable. The organizer reserves the right to adapt the procedure and the structure of the congress to the official requirements.
Photography / recording	The organizers consider to display recordings, lectures and edited live demonstrations on the website (www.endo-duesseldorf.com) and congress platform.
Approval of employer	In accordance with the FSA Code salaried participants are asked to obtain permission for attendance of the symposium from their employers if necessary. The symposium is sponsored by pharmaceutical and medical companies without influence on the content of the scientific program. Sponsored satellite symposia are indicated.
Faculty / speakers	All faculty members are obliged to disclose conflicts of interests.
Protection and hygiene concept	The on-site event will ensure a hygiene and safety concept adapted to the actual corona-related regulations. The corona-related regulations will be communicated separately to all on-site participants prior to the symposium.
